

## Friends of Higham Ferrers Nursery and Infant School

The Friends of Higham Ferrers Nursery and Infant School is a registered charity run by committee members and volunteers. These groups are sometimes referred to as Parent Teacher Associations. The majority of our members are parents/carers.

The main events calendar is agreed at the first meeting of the year and the Friends meet every six weeks or so to discuss forthcoming events. The money we raise goes towards supporting additional learning facilities within the School.

Our main objective is to ensure that the events we hold are both fun and exciting for everyone attending as well as being safe and enjoyable. We encourage the wider community to attend our Annual Fayres and all the activities are suitable for a range of ages and budgets.

The main events are our annual Christmas and Summer Fayres. In addition, we run Easter themed events plus hold regular discos and mufti days throughout the year.

### Getting Involved

If you would be interested in helping with any of the Friends events, either as a committee member or as a volunteer, then we would love to hear from you. The school is committed to safeguarding and promoting the welfare of children and so it is a requirement that anyone who wishes to help in the school must complete an enhanced DBS check (form obtainable from the school office). If you would like to join our thriving friends group please either complete and return the slip below to the Main School office or email [highamfriends@hotmail.co.uk](mailto:highamfriends@hotmail.co.uk) and a member of the Committee will make contact. It is only with the continued assistance of parents/carers that we are able to continue to support the School.
